

4-H FIELD SONG

Sing for the wide, wide fields,
Sing for the wide, wide sky.
Sing for the good, glad earth,
For the sun on hill tops high-

Sing for the comrade true-
Sing for the friendship sweet.
Sing as together we swing along.
With the turf beneath our feet.

A SONG OF HEALTH

Iron of earth, Glow of the sun,
Breath of the four winds clean.
Hours for work, Hours for play,
With stars and sleep between.
With stars and sleep between.

CHORUS

Our goal is health, The quest for man and maid.
The great adventure rare,
For health holds life and laughter
And strength and happiness to spare
Our goal is health the quest for man and maid,
Lift high the goblet fair,
And pledge the toast from coast to coast,
"Our health," the wealth we keep and share.

Faces that lift, Pulses that throb,
Limbs that are lithe and strong.
Heads that think, Hands that do,
And hearts that serve with song
And hearts that serve with song.
