Dear Mrs. Lowe:

I was keenly disappointed this morning when I went before the Commissioners and was told by them that you asked only for \$600. They were also surprised to know that I was not getting extra for mileage. These are their words, "We do not see why you are discriminated against. Hamme, Mr. Pace, and Miss Bryan get extra for mileage and we feel that you are entitled to same."

I had counted on the \$1400 because of my experience as a Home Economics Supervisor & teacher and the summer spent in this work. As I have told you before money does not count for every thing but it does mean much in this economic stress of today.

The impression left by the Board was that the matter could be adjusted. Therefore, I am asking that you please meet them at your earliest convenience to see what can be done.

I do thank you for your interest + am asking for your support for the future.

I am writing Mrs. McKimmon and am enclosing a copy of this letter.

Yours very sincerely,
Mrs. Estelle T. Nisout
