Mrs. Jane S. McKimmon
State Agent + Asst. Director
Raleigh, N.C.

Dear Mrs. McKimmon

I was keenly disappointed this morning when I went before the Commissioners and was told by them that only \$600 had been asked for.

They also expressed surprise at the fact that the mileage was not considered as being extra. They said, "We do not see why you are discriminated against. ~~Hamm~~, Mr. Pace, and Miss Byran get extra for mileage and we feel that you are entitled to the same."

I have counted on the \$1400. I feel that my training and experience as a Home Supervisor + teacher with that of last summer should count. I fully realize that money is not the only issue in any position and that real service counts but one must have sufficient finance in order to render efficient service.

The Commissioners also said that they

thought the matter of salary could be adjusted. I am asking Mrs. Lowe to take this up with them at her earliest convenience. I am sending Mrs. Lowe a copy of this letter.

I thank you for your interest and I repledge myself to give the best service I can render.

Yours sincerely,
