FOOD AND FEED FOR FAMILY LIVING

In view of the need for National Defense now facing our country,  
I will insofar as possible in 1941:

1. Produce adequate food to feed all people living on the farm.

This means a garden of at least 1/10 acre per person, milk  
and poultry products, a meat supply and conserving of surplus  
foods for an adequate diet for every person on the farm.

2. Grow the necessary feed for livestock and poultry on the farm.

This means grains, hay, forage, pasture and other sod crops.

I realize there is nothing binding upon me by signing this card.  
It is my statement of intention to aid in the national preparedness  
program.
