Mr. G. W. Cox, Executive Secretary,
The Independent Voters League,
Durham, N. C.

Dear Sir:-

Your letter of March 23, addressed to C. W. Massey, Chairman of the Board of Commissioners, was referred by him to the Board for consideration at their last meeting.

The Board requested me to say to you that no provision was made in the current budget to cover the items mentioned in your letter, but that when the new budget is prepared in July they will be glad to consider your request.

Yours very truly,

County Manager.
