Mr. Auld mentioned an email that he had received that mentioned adding a Community Media Center to the Main Library. Mr. Hewitt offered to get the space needs requirements to Mr. Auld so they can be forwarded to the Main Library architects. Mr. Hewitt will try to have the information by the end of next week.

OLD BUSINESS: none
NEW BUSINESS:
Report on Application of Circulation and Fine Policies
Mr. Lang distributed the minutes from the August 7th Planning & Budget meeting. Mr. Auld distributed payment and waivers figures for fiscal years 2006-07 and 2007-08. Mr. Ahmed distributed copies of Library Use Indicators.

Mr. Auld and members of the library staff made a presentation about the library’s overdue policies and instances where fines are waived. Mr. Auld emphasized the training that had been done for the staff and noted the Circulation Summit that is scheduled on September 5th. The summit will help ensure that policies are applied consistently throughout the system.

Commissioner Page asked if the library staff had considered instituting tiered consequences (1st, 2nd and 3rd offenses). He added that he did not want citizens to be careless in returning materials.

The library fees that are currently in place were discussed.
- Non resident cards are $45
- Replacement cards are $1
- Returned check fee is $15

Mr. Lang commented that the returned check fee should be increased because the cost to the library for recovering the funds is higher. Ms. McNeill noted that the amount of the fee is governed by the County. Mr. Lang asked Commissioner Page to check into that and report back to the Board.

DIRECTOR’S REPORT: Mr. Auld used this time to continue the discussion of New Business.

The meeting was adjourned at 7:15 pm after a motion by Ms. Woods and a second by Ms. Dillahunt-Andrews.

Respectfully submitted,

Lakesia W. Farmer
Executive Assistant
