Approval of Minutes of July 8, 2008: Mr. Lang made a motion that the Minutes from July 8, 2008 be approved, but with the addition of the amendment that was proposed at the August 12, 2008 meeting. The minutes were unanimously approved with the inclusion of the suggested amendment. Under Director’s Report, in the first paragraph following the bullets, the last sentence will be changed to read: “Mr. Auld acknowledged that agreement, but said that he was providing documents as background information for the Board.”

PUBLIC COMMENTS: Ken Berger addressed the Board to voice concerns about three brief matters involving timely response to concerns expressed by library users using official feedback channels, one of which also involves protecting users’ confidentiality.

The issues raised by Mr. Berger were: (1) concern about the amount of time that Parkwood Library would be closed before the South Regional Library would open; (2) an unanswered request for information from the Main Library’s first community meeting. He feels that the information should be available to the public; and (3) he expressed concern about the confidentiality of library records as a result of the library’s holds pickup procedures – especially in the case of self-service holds. Mr. Berger provided information about privacy standards as outlined by the American Libraries Association, NC Library Association and a North Carolina State Statute. (During his Director’s Report, Mr. Auld said he would respond to these concerns and share his response with the Board).

COMMITTEE REPORTS
Board Development & Evaluation – no report

Next Meeting: Tuesday, November 18th at 3 pm in the Board Room

Facilities & Standards – Ms. Woods reported that the Groundbreaking for South Regional Library will be either November 17, 18 or 19 at 2:30 pm. There will be an art project at South. A consultant will be hired to guide the project which will be funded by monies from The Herndon Foundation. Kathi Sippen is looking into setting up a bookmobile stop at either the K-Mart or Harris Teeter Shopping Center.

The Main Library Study will be a $10.8 million renovation project on the site of the current library. Further weeding of the collection will be needed to make everything fit into the new space.

Next Meeting: Tuesday, November 4th at 2 pm in the Board Room

Information Technology – Mr. Rashdi reported that the committee has met twice since the last board meeting. He has circulated minutes via email from the September meeting. Minutes from the October meeting will be distributed soon. The committee received staff updates from staff members Jill Wagy and Aftab Ahmed. The library offered a My Space training class for adults but only one person attended. Internet Safety Classes were held but there was almost no attendance. Both classes will be better advertised the next time they are offered.
• Classes on topics such as Web Design, How to Get a Summer Job and Blogging will be offered to teens. Internet Safety will be incorporated into those classes.
• Overdrive downloadable e-audio books will be launched on Wednesday. Two hundred titles have been purchased so far.
• Three vendors are under consideration for the RFID project. Compatibility to the library’s current products and the cost are being closed reviewed.
The IT Committee visited the Digital Media Lab at UNC. Much of what is found in a state of the art media lab is cost prohibitive for the library (around $10,000), but a basic lab could be designed for around $3,000. Mr. Auld also suggested that the committee visit the sound lab at Charlotte’s library.

Mr. Lang asked if there would be a press release about the Overdrive service. Ms. Rozier responded that the library is doing a soft launch of Overdrive. There are bookmarks and posters that will be available in all locations. Publicity is on the website and in libraries.

**Next Meeting: Monday, November 10th at 12 pm at the Bruegger’s Bagels on Ninth Street**

Planning & Budget – Mr. Lang reported that the committee met on October 8th. Mr. Lang noted that several items were requested at the meeting and were expected at tonight’s Board Meeting. These reports included statistics on Sunday Hours now that the library has been open on Sundays for one year. The committee also asked for information about circulation figures and the availability of minutes prepared by the architects at the public meeting. Mr. Auld responded that the post it notes from the public meeting are part of the internal working documents meant to inform the project. He will check Glen Whisler (Engineering) or Attorney Chuck Kitchen to see what documents can be released to the public. Ms. Lewis added that the minutes are taken by the architects, but she will check with the architect Chris Brasier to see what can be released. The library will make everything available that it can. Commissioner Page noted that all of the commissioners should receive copies of the notes from the meeting since many of them were unable to attend.

**Next Meeting: Tuesday, November 4th at 4 pm in the Board Room**

Policies – Four policies (Registration, Courteous Conduct, Circulation Fee and Meeting Room) were sent to the Board for comment. Ms. Sykes raised concerns about statements within the Courteous Comment Policy. #4 and #15

Commissioner Page asked if (loud) cell phone usage was discussed in the policy. He believes that the library is too loud. Security should pay a stronger role in the library. Maybe the library could have some quiet areas, but it is unrealistic for the entire library to be quiet.

The Policies Committee will meet on Friday, October 17th to discuss which policies should remain policies and which should be administrative procedures. Mr. Rashdi asked if the library will post policies on the website before they are reviewed by the committee. Administrative procedures will not be reviewed by the Policies Committee.

**Next Meeting: Friday, October 17th at 2:00 pm in the Board Room**

County Commissioners – Commissioner Page had no report.

Ms. Farmer distributed a list of meeting dates and locations for the Board Meetings for 2009 and for Committees through June 2009.

**EXTERNAL REPORTS**

Library Foundation – Mr. Roberts had no report. The next meeting will be November 24th.

Friends of the Library – Ms. Rozier

- Fall Book Sale will be this weekend.
• On December 6th, there will be a **Wrap-a-Rama** to initiate and celebrate satellite book sales which will be held in all locations except Bragtown and McDougald Terrace. Books purchased at the event will be gift wrapped for free.

**Friends of Stanford L. Warren** – no report

**OLD BUSINESS**

**Stanford L. Warren Circulation Statistics** – Mr. reported that previous numbers were incorrectly input. An extra zero was entered. Circulation figures did not decrease and the correct figures are available on the statistics that will be distributed later in the meeting.

**NEW BUSINESS**

**Election of Vice Chairman** – The Nominating Committee selected Elsa Woods to serve as Vice Chair. A motion was made by Mr. Lang and seconded by Mr. Roberts. The Board voted unanimously to appoint Ms. Woods as Vice Chair.

**Foundation Liaison** – Mr. Roberts attended a Foundation Board Meeting as interim liaison to the Foundation. The Board voted that to have Mr. Roberts continue as the liaison to the Foundation following a motion by Ms. Sykes. The motion was seconded by Mr. Lang.

**ID Badges**

Ms. Rozier showed several options for name badges for the trustees. Currently, a plastic name tag is used to identify members of the Library family (Board, Friends and Foundation) at events. She also showed examples of permanent name badges. Mr. Lang will work with Ms. Rozier to get the name badges ordered.

**Money for Trustees Award**

Mr. Roberts asked the trustees who were present to make contributions towards the Trustees Award which will be presented at the library’s November Staff Day.

**November 11th meeting**

The two local architects for the Main Library Study would like to make a 45-minute presentation to the Board. This would take most of the meeting. Mr. Lang proposed that the presentation be the only agenda item on the November meeting agenda, and the other board members agreed.

**DIRECTOR’S REPORT:** Mr. Auld announced that he would prepare a formal response to Mr. Berger’s concerns and share his response with the Board.

Mr. Lang asked Ms. Farmer to resend the July & August meeting minutes to the Board. He also encouraged all Board members to attend Friday’s policies meeting.

The meeting was adjourned at 7:40 pm after a motion by Mr. Lang and a second by Ms. Sykes.

The Board remained for a special session to decide the winner of the Trustee’s Award.

Respectfully submitted,

Lakesia W. Farmer
Executive Assistant
