**DIRECTOR’S REPORT:**
- Ms. Rozier shared that the makers of the movie “Main Street” are considering using the Main Library for one of its scenes. This would mean closing the library all day on Friday, May 1st. If Main does not work, Stanford L. Warren will be suggested. The movie’s producers have offered to reimburse the library for any revenue lost due to the library’s closing. After much discussion, it was decided that it would be a great opportunity for the library to be involved in this project. Library Staff was encouraged to think about the precedent that would be set by closing the library. Criteria for closing the library should be considered. Ms. Rozier reiterated that the Main Library has not yet been selected as the site.
- Mr. Auld addressed questions about the Budget Report that was distributed earlier in the meeting. The percentage of funds expended represents funds that have either been spent or encumbered.
- Mr. Auld gave an update on the security issues at North Regional.
  - The library will be handling loitering in a different way. People who are not at the library for a library-related purpose will be asked to leave. For youth to return to the library, they will have to bring a parent or guardian in to meet with the library manager who will explain the library’s Courteous Conduct Policy.
  - Staff will also implement the 30-30-30 technique. For the next 30 days, every 30 minutes all staff will take 30 seconds to scan the library looking for anything (or anyone) that may be out of place. Suspicious activity will be reported to Security.
  - The staff met with the teens who regularly use the library to inform them of the changes that are being implemented. Letters were also sent out in the students’ report cards informing parents of the changes.
- Mr. Auld reported on his trip to the PLA Symposium in Nashville, TN. Highlights of his trip included touring the Nashville Public Library and visiting Fisk University.

The meeting was adjourned at 7:00 pm after a motion by Dr. Musser and a second by Mr. Schoenfeld.

Respectfully submitted,
Lakesia W. Farmer, Executive Assistant
