OLD BUSINESS:
The Board Retreat was excellent, and the facilitators were great. A fall retreat will be held once the new Trustees come onboard. The information from the recent Retreat will be summarized and the group will move forward with the information that was not covered.
**NEW BUSINESS:** None

Ms. Ash will work on a proposal for a Smoking (or No Smoking) Policy for the library and will share the information with the Policies Committee before bringing it to the full Board at a future meeting.

Commissioner Heron mentioned the Community Circle Award which is given for outstanding performance or work on Boards or in community organizations. Mr. Lang will forward the link and application to the Board members.

**DIRECTOR’S REPORT:**

- Mr. Auld circulated the March Statistics. He noted that Juvenile Programs and Attendance would go up after the June 20 Summer Reading Kickoff. Stats were not provided for Information Services because the library is moving to a sampling method of gathering statistics so these numbers will no longer be provided monthly. Mr. Hewitt asked if there were any weeding stats. Mr. Auld will supply them at the next meeting.
- Mr. Auld distributed an RFID timeline. Security gates and self check equipment will be installed at Main and Parkwood.
- Mr. Lang asked if additional security guards would be added at North. Mr. Auld reminded everyone about the 30-30-30 technique and the Library’s new No Loitering stance that he shared at last month’s meeting. The Library is also looking into the possibility of adding security cameras at Main and North Regional. Mr. Lang also asked for an update on using K9 officers. Mr. Auld commented that the decision to not use the dogs at this time still stands. No additional suspicious activity has been reported.
- There are currently two vacancies on the Board. The announcement was not listed in the newspaper, but has been shared with the Library Family, library staff and is on the County’s website. Commissioner Heron asked if the Board interviewed interested applicants; the Board does not. Instead, the trustees review the applications and once the Board reaches a consensus, recommendations are sent to the Commissioners. Commissioner Heron noted that several County Boards do conduct interviews and that there is no restriction against interviewing.

The meeting was adjourned at 6:56 pm.

Respectfully submitted,

Lakesia W. Farmer, Executive Assistant

**NEXT MEETINGS:** June 2 and July 7, 2009 (Main Library First Floor Auditorium) at 6:00 pm
