II. REPORTS FROM LIBRARY STAFF
Location Manager Report (L. Doll)

Staffing:
We have seen many staffing changes this year due to retirements, promotions and gaining new staff with Main closing. All have been a wonderful addition to North and have brought new ideas and experiences that we have greatly benefited from. New staff include:
- New Manager: Lauren Doll
- New Teen Librarian: Desiree Peterson
- New Teen Assistant: Sarah Williams
- New Adult Services Manager: Jennifer Brannen
- New Circulation Office Assistant: Adrienne McKenzie
- New Circulation Library Assistant: Amber Huston
- New Page: Amanda Straffin
- From Main: Bashiru Ettu, Tonja Wall, Cleo Bizzell, and Rhonda Hall

In the upcoming weeks we will lose two additional staff members and will begin the hiring process for these positions:
- Jovanna Foreman: Children’s Library Assistant has been promoted to the Children’s Librarian at Stanford L Warren.
- Suzy McQueen: Adult Services Librarian, will retire from DCL.
In terms of volunteers we have had 125 volunteers this fiscal year (July 2016-Feb 2017) who have worked 631.75 hours. Most of these volunteers/hours come from the Teen Tutoring program.

Security:
Main closing has brought new security officers and increased security coverage which has been greatly appreciated. We have a day officer, afternoon officer (who comes in to help out during the afterschool period) and an evening officer. We also have weekend security from 1:30 pm until 6:00 pm.
While Teens are still a concern for us, the increased security, daily teen programming offered by Teen Services and the new bell schedule for Northern High school has done well to keep things calmer afterschool.
We also greatly appreciated increased security during our time as an early voting site. We saw an increase from years past in the number of early voters and we were able to sign up many for library cards while they were here. Officers did well to help direct traffic, control the flow of the voting lines and provide a safe library environment for staff, customers and voters alike.

Statistics:
North staff have presented 539 programs this fiscal year (July 2016 – Feb 2017) with a total attendance of 7,781. We hope to see many more program attendees with the increased patronage and interest in North’s programming with the closure of the Main Library. We have had 1,179 study room reservations and 89 meeting room reservations this past fiscal year as well.

Children’s Unit:
The Children’s Department continues to offer a wide variety of story times including: Korean Bilingual Storytime, Singin’-n-Shaking’ Stories, Preschool Storytime, Family Storytime and Baby & Toddler Storytime. The Homeschool Learning Lab (which is geared towards kids and teens) continues to be a favorite amongst local homeschool families. Other recent programs include: National Winnie the Pooh day, New Year’s Festival, National Hand Writing Day, Rainbow Nail Art and Balloon Animal Blast.

Teens:
Teen programming continues to be a high priority with the number of teens who visit the library afterschool. Weekly programs include: Game On!, Food and Fiction Fridays, Writing Club, Teen Tutoring (which has helped 41 children so far) and Teen. There are also half day long programs on early release days. Past program topics covered Civic Engagement, DIY Gifts, and Pop Up Maker Day. We also have a weekly makerspace outreach every Monday at the City of Medicine Academy.

Adult Services:
Adult Services continues to offer a wide variety of programs to the community. Our weekly knitting, crochet, chess and mahjong clubs continue to be popular. We have revamped our book clubs to now include a Testers and Tasters Cookbook Club alongside our popular Mystery Bookclub and the North Regional Book Club. We have also begun some new crafting programs such as Origami Club and Crafty NC. Our patrons will also be working up a sweat soon in our
Yoga and Soul Line Dancing classes. We continue to offer computer classes and one-on-one trainings as well.

Circulation:
As mentioned earlier the circulation department is now fully staffed and more with the addition of staff from Main. This will help keeping up with the increased circulation and patronage we have seen in recent weeks. The increase in pages will also go far in improving our shelf maintenance and visual appeal of the library as we work on weeding and updating the collection. Aside from their usual duties of customer service and the circulation of materials, the circulation staff have also been busy in maintaining a monthly rotating display and through programming efforts (Yoga and Knitting Classes).

Manager Summary:
We have repurposed one of our study rooms to accommodate the new staff from Main leaving only one. North Regional has also purchased new tables to shift our teen computers into the teen room and out of the children’s area and shelving units to increase storage capacity in the Teen, Adult, Circulation and Friends of the Library closets. Several areas have been repainted throughout the building to increase the library’s visual appeal. Sound equipment for staff and customers as well as a silhouette cutter for programs and displays were added with funds received from a generous donation from a patron in the amount of $1000. Our customers continue to be supportive and interested in the library and its many offerings. Staff are driven to provide excellent customer service (both internal and external) and work hard to make North Regional as wonderful as it can be. We are looking forward to continuing to evolve to better serve the needs of the North Regional Community.

Health Report (K. Makens)

The library edge assessment was summarized showing Durham County Library’s scores compared to peers. DCL scored better in community value and engaging the community categories than peers, however did not score well in organization management. This was due mainly to problems with rolling out competencies and the need for offering better impaired services. DCL has not had a technology plan in 5 years but Matt Clobridge and Sarah Alverson will help improve this area.
