

# 3D Printing Terms of Use

## Design creation

- Objects must not violate the library's Technology Policy.
- Model files must not be larger than the dimensions of the printer.
  - Dremel DigiLab 3D45 3D Printer - 254mm W x 152mm L x 170 mm H bed size (10"x6"x6.7")
- The maximum weight for a 3D print is 300 grams.

## Submitting a model in 3DPrinterOS

- Must be 13 years of age or older or use a parent's account with permission.
- Pricing of your object is \$0.10/gram of PLA filament.
- You can have a maximum of 2 items queued at one time.
- You must include your library card number as a note on your object.
- Staff review all project files, so please submit appropriate objects.
- Staff reserve the right to refuse to print any item.

## Final product

- Please allow 1-2 weeks for your object to be printed. Wait times may vary.
- Library staff are not responsible for the outcome of your print.
- Objects will be printed in whatever filament color is available.
- The cost for your object will be charged to your library account.
- You must pay for your print before picking it up.
- You must wait for an email from a STEAM staff member before picking up (NOT the automated email from 3DPrinterOS).
- Object must be picked up within 7 days of receiving an email from STEAM staff.

Procedures governing the use of the Library's 3D printers are subject to change.

If you have any questions, please contact the Maker + STEAM Team at
