Dear Mr. Bryant:

Thank you so much for your kind words regarding the meeting of the Genealogy and Old Cemeteries Committees of the Historic Preservation Society of Durham held yesterday.

I am enclosing the information we have on the Peaks Cemetery, off Ellis Road, west of the tobacco warehouses. Also, the information on the Fitzgerald Family Cemetery outside Maplewood Cemetery. Any additional information you can obtain for these records will be greatly appreciated.

I know I speak for everyone when I say we will be grateful for anything you can do to protect and canvass the old Geer Cemetery. A Mrs. Cora Waddell, 400 Pilot St., 6884542, whose mother was buried there in 1916 and her father in 1921 reported this cemetery and was interested in something being done about it. Also, a Mrs. Clarine Hyman, 815 Camden Ave., 6882552, has relatives buried there. Mr. Lee Ribet of the City Engineering Dept. would like to go along with any group to record this cemetery. Mr. Ribet advised this cemetery is on City list #5, City Tax Map #117.

Thank you for any information you can provide for this survey.

Sincerely yours,

Doris B. Tilley
